EMERGENCY CLOSING INSTRUCTIONS

Should school be dismissed before the end of the school day, we need to know if your child is to ride the bus, go to daycare, or be picked up by you. Weather, plumbing or electrical problems or other emergencies could cause us to dismiss early. It is important that arrangements are made in case of these unforeseen events. Sometimes our phone lines are busy so we cannot rely on last minute phone calls for directions. If the need to close early occurs, we would call all day care centers that pick up at our school.
